

AVITA Medical Announces Preliminary Third Quarter 2023 Financial Highlights and Secures up to \$90 million of Non-Dilutive Debt Financing with OrbiMed to Support Growth Initiatives

October 18, 2023

- Preliminary commercial revenue of \$13.5 million for the third quarter 2023; full year 2023 guidance confirmed
- \$40 million funded at close; \$50 million of additional non-dilutive capital available at the Company's option, based on the achievement of certain revenue thresholds
- Capital from the transaction will support execution of strategic expansion and fuel continued growth

VALENCIA, Calif., Oct. 18, 2023 (GLOBE NEWSWIRE) -- AVITA Medical, Inc. (NASDAQ: RCEL, ASX: AVH) (the "Company"), a regenerative medicine company leading the development and commercialization of first-in-class devices and autologous cellular therapies for skin restoration, today announced third quarter 2023 financial highlights and the closing of a debt financing facility for up to \$90 million with OrbiMed, a healthcare investment firm. The non-dilutive capital provides financial flexibility to support portfolio expansion, global initiatives, and the further development and commercialization of approved indications.

For the third quarter ended September 30, 2023, preliminary commercial revenue was \$13.5 million, a 50% increase compared to approximately \$9.0 million for the same period in 2022. Gross margin for the third quarter was approximately 84.5%. Guidance for full year 2023 commercial revenue remains unchanged and is expected to be in the range of \$51 to \$53 million.

Under the terms of the Credit Agreement (the "Credit Agreement") with OrbiMed, the Company borrowed \$40 million at closing. In addition, an aggregate of an additional \$50 million is available in two tranches at the Company's option, based on the achievement of certain revenue thresholds. The Credit Agreement has a five-year term that matures in October 2028. AVITA Medical also issued OrbiMed a warrant to purchase 409,661 shares of the Company's common stock, with an exercise price of \$10.9847.

"After another strong quarter, we are excited to be partnering with OrbiMed," said Jim Corbett, Chief Executive Officer of AVITA Medical. "This transaction provides us with the capital to execute strategic growth initiatives as we continue to transform our business. We believe this financing provides us with sufficient capital to meet our goals without the near-term need of equity financing and positions us to reach profitability during 2025."

Matthew Rizzo, General Partner of OrbiMed, added, "We are excited to support AVITA Medical as they pursue their strategic objectives, providing them with the necessary capital for financial flexibility, enabling future portfolio expansion, global initiatives, and the continued advancement and commercialization of their approved indications, solidifying their position as a leader in regenerative medicine."

Further details regarding the Credit Agreement, Pledge and Security Agreement, and the Warrant are set out in a Form 8-K filed by the Company with the U.S. Securities and Exchange Commission on October 18, 2023, and disclosed on the Australian Securities Exchange.

About AVITA Medical, Inc.

AVITA Medical® is a regenerative medicine company leading the development and commercialization of devices and autologous cellular therapies for skin restoration. The RECELL® System technology platform, approved by the Food and Drug Administration for the treatment of thermal burn wounds and full-thickness skin defects and for repigmentation of stable depigmented vitiligo lesions, harnesses the regenerative properties of a patient's own skin to create Spray-On Skin™ cells. Delivered at the point-of-care, RECELL enables improved clinical outcomes. RECELL is the catalyst of a new treatment paradigm and AVITA Medical is leveraging its proven and differentiated capabilities to develop first-in-class cellular therapies for multiple indications.

In international markets, our products are approved under the RECELL System brand to promote skin healing in a wide range of applications including burns, full-thickness skin defects and vitiligo. The RECELL System is TGA-registered in Australia, received CE-mark approval in Europe and has PMDA approval in Japan.
