About AVITA Medical, Inc.

AVITA Medical[®] is a commercial-stage regenerative medicine company transforming the standard of care for skin restoration with innovative devices and autologous cellular therapies. At the forefront of our platform is the RECELL[®] System, approved by the Food and Drug Administration for the treatment of thermal burn wounds and full-thickness skin defects, and for repigmentation of stable depigmented vitiligo lesions. RECELL harnesses the regenerative properties of a patient's own skin to create Spray-On Skin[™] Cells, delivering a transformative solution at the point-of-care. RECELL enables improved clinical outcomes. This breakthrough technology serves as the catalyst for a new treatment paradigm enabling improved clinical outcomes.

In international markets, our products are approved under the RECELL System brand to promote skin healing in a wide range of applications including burns, full-thickness skin defects, and vitiligo. The RECELL System is TGA-registered in Australia, received CE-mark approval in Europe and has PMDA approval in Japan.
