**PROXY STATEMENT**  
**for**  
**ANNUAL MEETING OF STOCKHOLDERS**  
**to be held on June 5, 2024, at 3:00 p.m. Pacific Daylight Time**  
**(being June 6, 2024, at 8:00 a.m. Australian Eastern Standard Time)**

**SOLICITATION OF PROXY**

The accompanying proxy is solicited on behalf of the board of directors (the "Board of Directors" or "Board") of the Company, for use at the annual meeting of stockholders (the "Annual Meeting") to be held on June 5, 2024, at 3:00 p.m. Pacific Daylight Time (being June 6, 2024, at 8:00 a.m. Australian Eastern Standard Time ("AEST")) by way of a virtual meeting conducted via live webcast at [meetnow.global/MKRAKJK](https://meetnow.global/MKRAKJK). This Proxy Statement contains information about the matters to be considered at the meeting or any adjournments or postponements of the meeting. The Company will bear the cost of solicitation of proxies. In addition to solicitation by mail, the Company's directors, officers, and regular employees may solicit proxies in person, by telephone, or via other means of communication without additional compensation. Brokerage houses, banks and other custodians, nominees, and fiduciaries will be reimbursed for out-of-pocket and reasonable expenses incurred in forwarding proxies and proxy statements.

The Board of Directors has set 5:00 p.m. Pacific Daylight Time on April 11, 2024 (being 10:00 a.m. AEST on April 12, 2024) as the record date (the "Record Date") to determine those holders of record of shares of common stock ("Common Stock") who are entitled to notice of, and to electronically vote at, the Annual Meeting and those holders of CHESS Depository Interests ("CDIs") (representing the underlying shares of Common Stock) who are entitled to notice of, and to virtually attend (but not vote at), the Annual Meeting. Each share of Common Stock (including the underlying shares of Common Stock represented by CDIs, with five CDIs representing one share of Common Stock) entitles its owner to one vote. On the Record Date, there were XX,XXX,XXX shares of Common Stock outstanding (including the shares of Common Stock underlying CDIs).

On or about April 23, 2024, we will begin disseminating notices of proxy material availability to our stockholders as of the Record Date, directing stockholders to a website where they can access our proxy materials, including this proxy statement and our 2023 Annual Report, and view instructions on how to vote online.

**IMPORTANT: To ensure that your shares of Common Stock are represented at the Annual Meeting, please vote your shares of Common Stock (or, for CDI holders, direct CHESS Depository Nominees Pty Ltd ("CDN") to vote your CDIs) via marking, signing, dating, and returning the enclosed Proxy Card or CDI Voting Instruction Form (as applicable) to the address specified. Holders of Common Stock, as of the Record Date, may vote during the virtual Annual Meeting via the online platform at [meetnow.global/MKRAKJK](https://meetnow.global/MKRAKJK), even if you have previously voted your shares of Common Stock. CDI holders may only instruct CDN to vote on their behalf by completing and signing the CDI Voting Instruction Form and are not eligible to electronically vote during the virtual Annual Meeting.**

## GENERAL INFORMATION AND VOTING INSTRUCTIONS

### *How will I receive these proxy materials?*

We are furnishing proxy materials to our stockholders via the internet instead of mailing printed copies, unless otherwise requested by the stockholder. This process allows us to expedite communication to our stockholders, reduces the environmental footprint of our Annual Meeting as well as the costs associated with printing and mailing these materials to all stockholders.

Accordingly, on or about April 23, 2024, we will begin mailing notices of proxy material availability to our stockholders of record at the close of business on the Record Date. All record and beneficial stockholders will have the ability to access the proxy materials on the website referred to in the notices free of charge or request to receive a printed set of the proxy materials for the Annual Meeting. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the notices.

Brokers, banks and other nominees will be sending a similar notification to all beneficial owners of stock who hold their shares through such broker, bank or nominee.

### *What is being considered at the meeting?*

You will be voting on the following:

- **Proposal No. 1:** To elect seven directors to serve for one-year terms or until their respective successors have been duly elected and qualified;

- **Proposal No. 4:** To approve the grant of restricted stock units to acquire shares of Common Stock equal in value to \$87,500 (at the time of the grant) and the grant of options to acquire shares of Common Stock equal in value to \$37,500 (at the time of the grant) to Professor Suzanne Crowe on the terms and conditions set out in this Proxy Statement, pursuant to and for the purposes of ASX Listing Rule 10.11;
- **Proposal No. 5:** To approve the grant of restricted stock units to acquire shares of Common Stock equal in value to \$87,500 (at the time of the grant) and the grant of options to acquire shares of Common Stock equal in value to \$37,500 (at the time of the grant) to Mr. Jeremy Curnock Cook on the terms and conditions set out in this Proxy Statement, pursuant to and for the purposes of ASX Listing Rule 10.11;
- **Proposal No. 6:** To approve the grant of restricted stock units to acquire shares of Common Stock equal in value to \$87,500 (at the time of the grant) and the grant of options to acquire shares of Common Stock equal in value to \$37,500 (at the time of the grant) to Ms. Jan Stern Reed on the terms and conditions set out in this Proxy Statement, pursuant to and for the purposes of ASX Listing Rule 10.11;
- **Proposal No. 7:** To approve the grant of restricted stock units to acquire shares of Common Stock equal in value to \$87,500 (at the time of the grant) and the grant of options to acquire shares of Common Stock equal in value to \$37,500 (at the time of the grant) to Mr. Robert McNamara on the terms and conditions set out in this Proxy Statement, pursuant to and for the purposes of ASX Listing Rule 10.11;

- **Proposal No. 9:** To approve the grant of options to acquire 350,000 shares of Common Stock to the Company's Chief Executive Officer, Mr. James Corbett, on the terms and conditions set out in this Proxy Statement, pursuant to and for the purposes of ASX Listing Rule 10.11; and
- **Proposal No. 10:** Advisory vote to approve the compensation of the Company's named executive officers.

***Who is entitled to vote?***

You may vote if you owned Common Stock or CDIs on the Record Date of April 11, 2024 at 5:00 p.m. Pacific Daylight Time (being 10:00 a.m. AEST on April 12, 2024). Each share of Common Stock is entitled to one vote. Each CDI holder is entitled to direct CDN to vote one vote for every five CDIs held by such holder on the Record Date.

***What does it mean to be a stockholder of record?***

If, on the Record Date, your shares of Common Stock were registered directly in your name with the Company's transfer agent, Computershare, then you are a stockholder of record. As a stockholder of record, you are entitled to vote on all matters to be voted on at the Annual Meeting. Whether or not you plan to attend the Annual Meeting online, the Company urges you to vote to ensure your vote is counted.

***What does it mean to beneficially own shares in "street name?"***

If, on the Record Date, your shares of Common Stock were held in an account at a broker, bank, or other financial institution (collectively referred to as a "broker"), then you are the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker. The broker holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct your broker on how to vote the shares in your account. The information you receive from the broker will include instructions on how to vote your shares. In addition, you may request paper copies of the Proxy Statement and voting instructions by following the instructions on the notice provided by your broker.

Your broker is not permitted to vote on your behalf on any matter to be considered at the Annual Meeting (other than ratifying the Company's appointment of Grant Thornton LLP as the Company's independent registered public accounting firm) unless your broker votes specifically in accordance with the instructions provided by you to your broker. The Company encourages you to communicate your voting decisions to your broker before the deadlines described elsewhere in this Proxy Statement to ensure that your vote will be counted. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is referred to as a "broker non-vote."

***What does it mean to be a holder of CDIs?***

CDIs are issued by the Company through CDN and traded on the Australian Securities Exchange (the "ASX"). If you own the Company's CDIs, then you are the beneficial owner of one share of Common Stock for every five CDIs that you own. CDN or its custodian is considered the shareholder of record for the purposes of voting at the Company's Annual Meeting. As the beneficial owner, you have the right to direct CDN or its custodian as to how to vote the shares in your account. As a beneficial owner, you are invited to attend the Annual Meeting. However, because you are not a stockholder of record, if you personally want to vote the shares of Common Stock underlying your CDIs at the Annual Meeting, you must inform CDN via your CDI Voting Instruction Form that you wish to nominate yourself (or another person, including the Chair of the Annual Meeting) to be appointed as CDN's proxy for the purposes of virtually attending and voting at the Annual Meeting.

Under the rules governing CDIs, CDN is not permitted to vote on your behalf on any matter to be considered at the Annual Meeting unless you specifically instruct CDN how to vote. The Company encourages you to communicate your voting decisions to CDN in advance of the Annual Meeting to ensure that your vote will be counted by completing the enclosed CDI Voting Instruction Form and returning it to the address specified on that form.

### ***How many shares must be present or represented to hold the meeting?***

Your shares are counted as present at the meeting if you attend the meeting virtually and vote via the online platform at [meetnow.global/MKRAKJK](https://meetnow.global/MKRAKJK) or if you properly return a Proxy (in the case of holders of Common Stock) or CDI Voting Instruction Form (in the case of holders of CDIs). To conduct the meeting, a majority in voting power of the outstanding shares of stock entitled to vote must be present at the meeting in person or by proxy. This is referred to as a quorum. On the Record Date, there were XX,XXX,XXX outstanding shares of Common Stock (including Common Stock underlying CDIs) entitled to vote.

### ***How do I vote if I hold shares of Common Stock?***

Registered holders of Common Stock can vote in three ways:

- by means of the internet by visiting [www.investorvote.com/RCEL](https://www.investorvote.com/RCEL) and following the instructions on the notice or Proxy Card;
- by attending the meeting virtually via live webcast and voting using the online voting platform at [meetnow.global/MKRAKJK](https://meetnow.global/MKRAKJK) using your unique 16-digit Control Number, which can be found on your notice or Proxy Card, to log in to the website; or
- by completing, signing, and returning the enclosed Proxy Card in accordance with the instructions on such card.

If you hold shares of Common Stock in street name, you will need to follow the instructions provided by the broker, bank or other nominee that holds your shares.

### ***How do I vote if I hold CDIs?***

Each CDI holder as of the Record Date is entitled to direct CDN to vote one vote for every five CDIs held by such holder. Those persons holding CDIs as of the Record Date are entitled to receive notice of, and to attend the Annual Meeting virtually, and any adjournment or postponement thereof. Holders of CDIs as of the Record Date may direct CDN to vote their underlying shares of Common Stock at the Annual Meeting in two ways:

- by returning the CDI Voting Instruction Form to Computershare Australia, the agent the Company has designated for the collection and processing of voting instructions from the Company's CDI holders; or
- by completing the CDI Voting Instruction Form online at <https://www.investorvote.com.au>.

Votes must be received by Computershare Australia by no later than 9:00 a.m. AEST on May 31, 2024, (being 4:00 p.m. Pacific Daylight Time on May 30, 2024) in accordance with the instructions on such form, in order for CDN to vote on CDI holders' behalf in accordance with their written directions.

Alternatively, CDI holders can inform CDN via the CDI Voting Instruction Form that they wish to nominate themselves or another person (including the Chair of the Annual Meeting) to be appointed as CDN's proxy for the purposes of virtually attending and voting at the Annual Meeting. Holders of CDIs must comply with the instructions above if they wish to have their votes cast at the Annual Meeting.

In order to receive electronic communications from the Company in the future, please update your Shareholder details online at [www.investorvote.com.au](https://www.investorvote.com.au) and log in with the control number: XXXXXX, your unique shareholder identification number, and postcode (or country for overseas residents). Once logged in, you can also lodge your CDI Voting Instruction Form electronically.

### ***Can I change my mind after I submit my Proxy or CDI Voting Instruction Form?***

Yes, if you hold shares of Common Stock, you may change your mind at any time before a vote is taken at the meeting. You can do this by (1) signing another Proxy with a later date and submitting it in the same manner as the prior Proxy was submitted; (2) if you hold your shares in your name, voting again at the meeting via the online voting platform; or (3) if you hold your shares in street name, arranging with your broker to vote your shares at the Annual Meeting.

If you are a holder of CDIs and you direct CDN to vote by completing the CDI Voting Instruction Form, you may revoke those directions by delivering to Computershare Australia a written notice of revocation bearing a later date than the CDI Voting Instruction Form previously sent, which notice must be received by Computershare Australia by no later than 9:00 a.m. AEST on May 31, 2024, (being 4:00 p.m. Pacific Daylight Time on May 30, 2024).

***Will my Common Stock or CDIs be voted if I do not provide my Proxy or CDI Voting Instruction Form?***

If you hold your shares of Common Stock directly in your own name, they will not be voted if you do not provide a Proxy unless you personally vote at the meeting via the online voting platform. Your shares of Common Stock may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote a customer's unvoted shares on certain routine matters. At the Annual Meeting, the proposal to ratify the appointment of the Company's independent public accountants is such a routine matter. When a brokerage firm votes its customer's unvoted shares, these shares are counted for the purposes of establishing a quorum.

If you hold CDIs, they will not be voted if you do not provide a completed CDI Voting Instruction Form to Computershare Australia by the relevant cut-off date, being 9:00 a.m. AEST on May 31, 2024 (being 4:00 p.m. Pacific Daylight Time on May 30, 2024).

***What if I return my Proxy Card or CDI Voting Instruction Form but do not include voting instructions?***

Proxies that are signed and returned but do not include voting instructions will be voted FOR the election of the nominated directors, FOR the ratification of the appointment of the Company's independent public accountants, FOR the approval of the grant of restricted stock units and options to each non-executive director, and FOR the approval of the grant of options to the Company's President and Chief Executive Officer, but they will not be voted with respect to the advisory vote regarding compensation paid to the Company's named executive officers. If no specific instructions are given, it is intended that signed and returned proxies will be voted in the discretion of the proxy holders on any other business proposal which may properly come before the Annual Meeting (the Board of Directors does not presently know of any other such business) or any adjournments or postponements thereof.

If you are a beneficial owner of shares of Common Stock held in street name and do not provide the organization that holds your shares with specific voting instructions, the organization that holds your shares may generally vote on routine matters (which at the Annual Meeting consists of the proposal regarding ratification of the appointment of the Company's independent public accountants) but cannot vote on non-routine matters.

If a CDI holder does not include voting instructions in the CDI Voting Instruction Form in respect of a proposal no vote will be cast on that proposal for that CDI holder.

***What does it mean if I receive more than one Proxy Card or CDI Voting Instruction Form?***

If you receive more than one printed set of proxy materials, it means that you hold Common Stock or CDIs registered in more than one account. To ensure that all of your Common Stock or CDIs are voted, please submit proxies or CDI Voting Instruction Forms for all of your shares of Common Stock or CDIs (as applicable).

If possible, the Company recommends that you contact your broker and/or the Company's transfer agent to consolidate as many accounts as possible under the same name and address. The Company's transfer agent in the United States is Computershare Limited. Computershare Limited's telephone number is 800-736-3001. The Company's transfer agent in Australia is Computershare Australia. Computershare Australia's telephone number is +61 39415 4000 (for overseas callers) or 1300 850 505 (for calls within Australia).

***What vote is required to approve each item?***

Directors are elected by a plurality of votes cast and the affirmative vote of the holders of a majority in voting power of the shares of Common Stock of the Company which are present in person or by proxy and entitled to vote thereon is required for (i) the ratification of the appointment of the Company's independent public accountants; (ii) the approval of the grant of restricted stock units and options to each non-executive director; (iii) the approval of the grant options to the Company's President and CEO; and (iv) the approval of the compensation paid to the Company's named executive officers on a non-binding, advisory basis.

***Which ballot measures are considered "routine" or "non-routine"?***

The election of directors ("Proposal No. 1"), the grants of restricted stock units and option awards to our directors ("Proposals Nos. 3 – 8"), the grant of options to our CEO ("Proposal No. 9"), and the approval, on a non-binding advisory basis, of the compensation paid to our named executive officers ("Proposal No. 10") are considered to be non-routine matters under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposal 1, Proposals Nos. 3-8, Proposal 9 or Proposal 10.

The ratification of the appointment of Grant Thornton as our independent registered public accounting firm for 2024 (“Proposal No. 2”) is considered to be a routine matter under applicable rules. A broker or other nominee may generally vote on routine matters, so we do not expect there will be any broker non-votes with respect to Proposal No. 2.

***How are abstentions treated?***

Abstentions will be counted as votes present and entitled to vote on the proposals considered at the Annual Meeting and, therefore, will have the effect of votes against Proposal No. 2, Proposals Nos. 3-8, Proposal No. 9 and Proposal No. 10. Abstentions will have no effect on Proposal No. 1 regarding the election of directors. With respect to Proposal No. 1, you may vote for all the director nominees, withhold authority to vote your shares for all the director nominees or withhold authority to vote your shares with respect to any one or more of the director nominees. Withholding authority to vote your shares with respect to one or more director nominees will have no effect on the election of those nominees.

***Where can I find the voting results of the Annual Meeting?***

The preliminary voting results will be announced at the Annual Meeting. ### **Nominating & Corporate Governance Committee**

Our Board of Directors has established a Nominating and Corporate Governance Committee. Under the 4<sup>th</sup> Edition of the ASX's Corporate Governance Principles and Recommendations, our Nominating and Corporate Governance Committee should have at least three members, a majority of whom are independent, and should also be chaired by an independent director. Professor Suzanne Crowe, Robert McNamara, Jan Stern Reed and Jeremy Curnock Cook are the current members of the Nominating and Corporate Governance Committee and each qualifies as an independent director within the meaning of Nasdaq Marketplace Rules and the 4<sup>th</sup> Edition of the ASX's Corporate Governance Principles and Recommendations. James Corbett was not a member of the Nominating and Corporate Governance Committee, but was in attendance at all Nominating and Corporate Governance Committee meetings in 2023 as CEO.

The Nominating and Corporate Governance Committee is responsible for identifying individuals qualified to become members of our Board of Directors, recommending nominees for election at the stockholders meetings or to fill vacancies that arise in our Board of Directors, and recommending qualified and experienced directors to serve on the committees of our Board of Directors. In addition, the Nominating and Corporate Governance Committee is responsible for ensuring that the Board and each of its committees conducts an annual self-evaluation.

Additionally, the Nominating and Corporate Governance Committee oversees, reviews, and receives updates on the Company's significant legal and regulatory compliance matters, provided that matters with financial implications will be referred to and reviewed by the Audit Committee. Matters within the Committee's oversight responsibilities may include, without limitation, compliance with laws, fair dealing, employee health and safety, data privacy, employment, anti-bribery, work environment, interactions with health care professionals, and product quality compliance.

The Nominating and Corporate Governance Committee also oversees, reviews, and receives updates regarding the Company's ethics and compliance issue reporting mechanisms and significant investigations. This includes reviewing reports on (i) the process for how ethics and compliance issues are identified and reported to the compliance department; (ii) all significant investigations directed by the compliance department pursuant to the Company's compliance hotline and other reporting mechanisms maintained by the Company; and (iii) reinforcing the need for independence, objectivity, professionalism and confidentiality as guiding principles in the investigative process.

### **Process for Nominating Potential Director Candidates**

The Nominating and Corporate Governance Committee is responsible for identifying and evaluating potential director candidates and recommending qualified candidates for election by the stockholders consistent with criteria approved by the Board. Nominees for director are selected by the Nominating and Corporate Governance Committee on the basis of their (i) economic,

academic, financial, and other expertise, skills, knowledge, and achievements useful to the oversight of the Company's business; (ii) integrity, demonstrated sound business judgment, and high moral and ethical character; (iii) diversity of viewpoints, backgrounds, experiences, and other demographics; (iv) business or other relevant professional experience; (v) capacity and desire to represent the balanced, best interests of the Company and its stockholders as a whole and not primarily a special interest group or constituency; (vi) ability and willingness to devote time to the affairs and success of the Company and in fulfilling the responsibilities of a director; and (vii) the extent to which the interplay of the candidate's expertise, skills, knowledge, and experience with that of other Board members will build a Board that is effective, collegial, and responsive to the needs of the Company.

The Nominating and Corporate Governance Committee identifies candidates of diverse backgrounds and considers all candidates equally. The Nominating and Corporate Governance Committee reviews the background and qualifications of each nominee to determine such nominee's experience, competence, character, and potential contribution to the Board of Directors, taking into account the then existing composition of the Board of Directors and such other factors as the Nominating and Corporate Governance Committee deems appropriate. The Board should collectively possess skills, industry, and other knowledge and expertise, and business and other experience useful for the effective oversight of the Company's business. The Nominating and Corporate Governance Committee believes that the business experience of its directors has been, and continues to be, critical to the Company's development and plan of operation.

The Nominating and Corporate Governance Committee values the input of stockholders in identifying director candidates. Accordingly, although the Nominating and Corporate Governance Committee does not have a specific policy with regard to the consideration of candidates recommended by stockholders, the Nominating and Corporate Governance Committee considers recommendations for Board candidates submitted by stockholders using substantially the same criteria as it applies to recommendations from the Nominating and Corporate Governance Committee, directors and members of management. Any such nominations should be submitted to the Nominating and Corporate Governance Committee in line with the instructions provided later in this Proxy Statement under the caption Requirements for Stockholder Proposals to be Brought Before the 2025 Annual Meeting of Stockholders and in compliance with other specific procedural requirements set forth in the Bylaws.

The Company has adopted a written code of business conduct and ethics that applies to all Company directors, officers and employees. A copy of the code is posted under the heading “Corporate Governance” on the Investor Relations section of the Company’s website, which is located at <https://avitamedical.com/>. **Board Leadership Structure**

The current non-executive Chairman of the Board of Directors is Lou Panaccio, who is an independent director under Nasdaq listing standards and for the purposes of the 4<sup>th</sup> Edition of the ASX Corporate Governance Council’s Corporate Governance Principles and Recommendations. The roles of Chairman of the Board and Chief Executive Officer are separate. The Board of Directors believes that the separation of the offices of the Chairman of the Board and Chief Executive Officer allows the Company’s Chief Executive Officer to focus primarily on the Company’s business strategy, operations, and corporate vision. The Board of Directors consists of a majority of independent non-executive directors, and each of the committees of the Board of Directors is comprised solely of independent non-executive directors. The Company does not have a policy mandating an independent lead director. The independent directors meet at least annually in executive session without the presence of the non-independent director.

**Risk Oversight**

While management is responsible for assessing and managing risks to the Company on a day-to-day basis, the Company’s Board of Directors oversees management’s efforts to assess and manage risk. The Board (in conjunction particularly with the Audit Committee) monitors and receives advice on areas of operational and financial risk and considers strategies for appropriate risk management arrangements. Specific areas of risk which are regularly considered at Board meetings include foreign currency, performance of activities, human resources, acceptance by regulatory authorities of the Company’s products, markets, manufacturing, the environment, statutory compliance, and continuous disclosure obligations. Additional areas of focus for the Board of Directors include, but are not limited to:

- managing the Company’s long-term growth;
- strategic and operational planning, including significant acquisitions and the evaluation of the Company’s capital structure; and
- legal and regulatory compliance.

More broadly, risks are considered in virtually every business decision and process and as part of the Company’s overall business strategy. While the Board of Directors has the ultimate oversight responsibility for the Company’s risk management policies and processes, the committees of the Board of Directors also have responsibility for risk oversight. As noted above, the Company’s Audit Committee assists the Board of Directors to meet its oversight responsibilities in respect of various areas of risk for the Company including risks associated with its financial statements and financial reporting, internal control structure, risk management procedures and the internal (as applicable) and external audit function as well as mergers and acquisitions, credit and liquidity, and, in conjunction with the Nominating and Corporate Governance Committee, business conduct compliance. The Compensation Committee considers the risks associated with the Company’s compensation policies and practices with respect to both executive compensation and employee compensation. The Nominating and Corporate Governance Committee oversees risks associated with the Company’s overall governance practices and the leadership structure of the Board of Directors.

The Company’s Board of Directors stays informed of each committee’s risk oversight and other activities via regular reports of the committee chairs to the full Board of Directors. The Board of Directors’ role in risk oversight is consistent with the Company’s leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing the Company’s risk exposure, and the Board of Directors and committees providing oversight in connection with those efforts.

### **Cybersecurity Risk Management and Strategy**

The Company has implemented an Information Security Management System (“ISMS”). The Company’s ISMS is a continuous process designed to analyze the potential risks, vulnerabilities, the likelihood of occurrence and the related consequences of cybersecurity threats. The process is based on establishing the context, assessing the risks, and treating the risks. The key concept of the ISMS is to consistently maintain and improve confidentiality, integrity, and availability of information assets that should be protected by the organization on behalf of itself and its clients, and third parties. Once a risk, threat or vulnerability is identified, the Company establishes a risk treatment plan to take corrective action to prevent risks that can be avoided and minimize the ones that cannot. The Company engages an independent third-party cybersecurity services and consulting firm to continuously review our information security. The Company also conducts internal phishing campaigns and performs an independent penetration test on an annual basis. In addition, we conduct regular security awareness training and testing of our employees. The Company has not had any material cybersecurity incidents.

The Company’s ISMS is established in accordance with the requirements of International Organization for Standardization 27001 and 27002 (“ISO 27001” and “ISO 27002”). The ISO 27001, Information security management systems, provides a framework and guidelines for establishing, implementing and managing an ISMS and ISO 27002, Information security controls, provides a reference set of generic information security controls including implementation guidance.

### **Disclosure of Management’s Responsibility**

The Company’s Chief Financial Officer (“CFO”) is primarily responsible for overseeing the Cybersecurity Risk Management Program and leading the Company’s efforts to mitigate technology risks in partnership with various business leaders in the organization. For qualifications of the CFO refer to Item 10 of the 2023 Form 10-K, filed with the SEC on February 22, 2024 (and ASX on February 23, 2024). The Company has protocols, policies and tools in place to mitigate cybersecurity risk. They also provide the administrative, technical, and physical safeguards to ensure the security, confidentiality, integrity and availability of confidential information and personal information from unauthorized access, use, disclosure, alteration, destruction or theft. In addition, the Company engages an independent third party annually to assess our IT general controls and IT security. Special focus is given to maintaining and improving the Company’s alignment with ISO 27001. Additionally, the Company has a cybersecurity incident response plan in place that provides a documented framework for handling high and low severity security incidents and facilitates coordination across multiple parts of the business. The Company has engaged an external consultant to provide oversight and technical expertise to the Company’s ISMS process. Finally, cybersecurity is integrated into the Company’s training as all employees are required to take security awareness training.

### **Disclosure of the Board’s Responsibility**

While management is primarily responsible for assessing and managing cybersecurity risks on a day-to-day basis, the Company’s Board of Directors oversees management’s efforts to assess and manage risk. The Board (in conjunction particularly with

the Audit Committee) monitors the cybersecurity risk assessment and response process. The Audit Committee is briefed by the Chief Financial Officer on the Company's cybersecurity ISMS program and the overall cybersecurity risk environment. The briefing may include discussions on topics such as: information security and technology risks, cybersecurity risk assessment processes and updates, information risk management strategies, and progress on cybersecurity and data protection training initiatives for employees, among others.

For more information on the Company's Cybersecurity Risk Management and Strategy, please see the Company's Annual Report on Form 10-K for the year ended December 31, 2023, filed with the SEC on February 22, 2024 (and ASX on February 23, 2024).

#### **Stockholder and Interested Party Communications with Directors**

Stockholders may communicate with the Board of Directors, members of particular committees, or individual directors by sending a letter to such persons in care of the Company's Chief Executive Officer at its principal executive offices. The Chief Executive Officer has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any inappropriate communications. ## ***Compensation Principles***

The Compensation Committee has a formal Compensation Governance Framework which, at the core, consists of a Compensation Committee Charter (the “Charter”). The Charter outlines responsibilities and duties of the members, sets forth the frequency of meetings, establishes and reviews the overall compensation policies and practices of the Company and also sets forth the process to review and approve the executive compensation program for the Chief Executive Officer and other executive officers. The Charter also directs the Compensation Committee to make appropriate recommendations to the Board of Directors regarding the Company’s executive compensation program.

### Compensation Committee

The Compensation Committee approves or makes recommendations to the Company’s Board of Directors on decisions concerning compensation of the executive management team and Board of Directors on a periodic basis to ensure that it is consistent with the Company’s short-term and long-term goals. The Compensation Committee assesses the appropriateness of the nature and amount of compensation of the Company’s executives by reference to relevant employment market conditions with the overall objective of ensuring maximum stakeholder benefit from the recruitment and retention of a high-quality board and executive team.

Additionally, the Compensation Committee is responsible for evaluating the performance of the Company’s key senior executives. The Company’s Chief Executive Officer and other members of management regularly discuss compensation issues with Compensation Committee members. The Compensation Committee reviews and recommends to the Board of Directors the overall bonus and equity incentive awards for employees of the Company. The Company’s Chief Executive Officer makes recommendations to the Compensation Committee for review, modification (if applicable) and approval in relation to bonuses and equity incentive awards for members of the executive management team.

### Resignation, Retirement, or Termination for Cause, or Resignation without Good Reason Arrangements

The Company does not have any agreements or plans that would provide additional compensation in connection with a retirement.

### Potential Payments upon Involuntary Termination, Resignation without Good Reason

The employment contract provides for the following severance payments upon termination by the Company without cause or by the employee for good reason (as defined in the particular employment agreement): (i) payment of the employee’s then-current base salary for a period of 18-months for the CEO and 12-months for the CFO or General Counsel, following termination (ii) a pro-rated target bonus for the period during which the employee was employed in the year of termination (iii) continued coverage under our group health and benefits plan consistent with the term of the base salary; and (iv) immediate acceleration of unvested stock options and restricted stock unit awards.

## Proposal Nos. 3-8

### APPROVAL OF THE GRANT OF OPTIONS AND RESTRICTED STOCK UNITS TO NON-EXECUTIVE DIRECTORS

#### Background

Proposal Nos. 3 – 8 (inclusive) seek the approval of stockholders under ASX Listing Rule 10.11 for the grant of both restricted stock units (“RSUs”) and options to acquire shares of Common Stock of the Company to the Company’s non-executive directors (“NED Securities”) in the value set out in Table 1 below.

An RSU is an unfunded and unsecured contractual entitlement to be issued or transferred a share of Common Stock in the Company on a future date (after the vesting of the relevant RSU entitlement). Each RSU on vesting will entitle the relevant non-executive director to be issued or transferred one fully paid share of Common Stock of the Company for no monetary consideration. Each option on vesting and payment of the applicable exercise price by the non-executive director (being the closing price of the Company’s shares of Common Stock on Nasdaq on the date of grant) will entitle the relevant non-executive director to be issued one fully paid share of Common Stock of the Company.

The Board engaged Compensia, an independent compensation advisory firm with a focus on technology and life sciences companies in the U.S., to complete a detailed review of the Company’s compensation arrangements for non-executive directors in fiscal year 2024. For analysis, Compensia developed a peer group of 18 U.S. based public companies of similar size, industry, revenue, and market cap, using a rules-based approach. This peer group will also be utilized by Compensia and the Company in the development of executive compensation for the Company. The grants of NED Securities in Proposal Nos. 3-8 are in line with the recommendations of Compensia after their review of the Company’s non-executive director compensation.

The Board is of the view that the grant of the NED Securities to the below named non-executive directors is a reasonable and appropriate method to provide cost effective remuneration to the relevant non-executive directors as the non-cash form of this remuneration will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were required to be provided to the relevant non-executive directors instead of the NED Securities.

Consistent with common U.S. company non-executive director annual equity remuneration practices as reported by Compensia, Table 1 below reflects awards proposed to be granted to each non-executive director for the fiscal year ending December 31, 2024 (“Annual Grants”). The material terms of the NED Securities are set out below under the heading “Material Terms of the NED Security Agreements”. Table 2 below provides illustrative examples only of the number of RSUs and options that may be granted to the non-executive directors based on a range of possible scenarios. It is important to note that the number of RSUs and options that will actually be granted under the Annual Grants will not, however, be known until the actual date of grant of the RSUs and options, which is likely to be the date of the Annual Meeting, as planned, or if quorum is not achieved and postponement is required to achieve quorum, then the date of the postponed Annual Meeting, if the proposed grants to the non-executive directors are approved at the Annual Meeting.

**Table 1: NED Securities proposed to be granted as Annual Grants to each non-executive director:**

Set out below are details of the NED Securities proposed to be granted to each relevant non-executive director if approved under Proposal Nos. 3, 4, 5, 6, 7, and 8 (as applicable).

- (1) Upon the vesting of an RSU award, the holder will be entitled to be issued or transferred the relevant number of shares of Common Stock of the Company without the payment of any cash or other form of consideration.
- (2) The exercise price payable for each share of Common Stock the subject of the option will be the closing price of the Company's shares of Common Stock on Nasdaq on the date on which the options are granted which will be the date of the Annual Meeting as planned, or if quorum is not achieved and postponement is required to achieve quorum, then the date of the postponed Annual Meeting.

**Calculation of the number of NED Securities to be granted under the Annual Grants**

As noted above, it is proposed that, subject to stockholder approval at the Annual Meeting, each of the non-executive directors will be granted RSUs to acquire shares of Common Stock equal in value to \$87,500 (as at the date of the grant) and options to acquire shares of Common Stock equal in value to \$37,500 (as at the date of the grant).

The number of NED Securities to be granted to each of the non-executive directors under the Annual Grants on the date of the grant will be determined in accordance with the following formula:

**In respect of the RSUs:**  $R = A / B$

where:

- R means the number of RSUs to be issued to the relevant non-executive director rounded down to the nearest whole RSU
- A means the amount of \$87,500
- B means the closing price of the Company's shares of Common Stock on Nasdaq on the date of grant of the RSUs

**In respect of the options:**  $O = X / Y$

where:

- O means the number of options to be issued to the relevant non-executive director rounded down to the nearest whole option
- X means the amount of \$37,500
- Y means the closing price of the Company's shares of Common Stock on Nasdaq on the date of grant of the options

**Table 2: Illustrative examples (only) of how the number of NED Securities under the Annual Grants will be calculated**

Set out below are example calculations, for illustrative purposes (only), of how the number of NED Securities to be granted to the non-executive directors under the Annual Grants will be calculated by applying the above formula. These examples have been calculated by reference to the lowest closing price of the Company's Common Stock and highest closing price of the Company's Common Stock on Nasdaq over the six-month period ended February 29, 2024.

It is important that stockholders note that the below calculations are examples only and the number of NED Securities that will actually be granted to the non-executive directors under the Annual Grants will be calculated on the basis of the closing price of the Company's shares of Common Stock on Nasdaq on the date on which the relevant non-executive director is granted their NED Securities under the Annual Grant, as planned, or if a quorum is not achieved and postponement is required to achieve quorum, then the date of the postponed Annual Meeting. As a result, the number of NED Securities actually granted to each non-executive director under the Annual Grants may vary materially from the examples set out below.

**Example 1 – Lowest closing price on Nasdaq over the six-month period to February 29, 2024:**

If, by way of example, a non-executive director had been granted their NED Securities under the Annual Grants on the date of the lowest closing price of the Company's Common Stock on Nasdaq over the six month period ended February 29, 2024, the number of NED Securities to be granted to the non-executive director under the Annual Grants would, by applying the abovementioned formulae, be as follows:

**RSUs**

- $A = \$87,500$
- $B = \$9.29$ , being the lowest closing price of the Company's Common Stock on Nasdaq over the six-month period to February 29, 2024
- $R = 9,418$  RSUs to acquire 9,418 shares of Common Stock (being the result of dividing A by B)

**Options**

- $X = \$37,500$
- $Y = \$9.29$ , being the lowest closing price of the Company's Common Stock on Nasdaq over the six-month period to February 29, 2024
- $O = 4,036$  options to acquire 4,036 shares of Common Stock (being the result of dividing X by Y) at an exercise price of \$9.29 per option

**Example 2 – Highest closing price on Nasdaq over the six-month period to February 29, 2024:**

If, by way of example, a non-executive director had been granted their NED Securities under the Annual Grants on the date of the highest closing price of the Company's Common Stock on Nasdaq over the six-month period to February 29, 2024, the number of NED Securities to be granted to that non-executive director under the Annual Grants would, by applying the abovementioned formula, be as follows:

**RSUs**

- A = \$87,500
- B = \$18.31, being the highest closing price of the Company's Common Stock on Nasdaq over the six-month period to February 29, 2024
- R = 4,778 RSUs to acquire 4,778 shares of Common Stock (being the result of dividing A by B)

**Options**

- X = \$37,500
- Y = \$18.31, being the highest closing price of the Company's Common Stock on Nasdaq over the six-month period to February 29, 2024
- O = 2,048 options to acquire 2,048 shares of Common Stock (being the result of dividing X by Y) at an exercise price of \$18.31 per option.

If stockholder approval is obtained, the NED Securities proposed to be granted to each relevant non-executive director will be granted under and subject to the terms and conditions of a template RSU agreement (in respect of the RSUs) and a template option agreement (in respect of the options) to be entered into between the relevant non-executive director and the Company ("NED Security Agreements"), the terms of which are summarized below.

Each of Proposal Nos. 3 – 8 (inclusive) are separate proposals to be considered by stockholders independently. In addition, Proposal Nos. 3 – 8 (inclusive) are not interdependent proposals, meaning that the approval of one proposal will not impact the outcome of another proposal (e.g., if Proposal No. 4 is not approved, this does not impact the ability of Proposal No. 5 to be approved). Accordingly, if only some of Proposal Nos. 3 – 8 are approved by stockholders, those proposals that are approved will remain valid even if certain of Proposal Nos. 3 – 8 are not approved by stockholders.

Those non-executive directors who have the grant of NED Securities to them approved pursuant to the relevant proposal will be entitled to be granted those NED Securities whereas those non-executive directors who do not have the grant of the relevant NED Securities to them approved will not be entitled to be granted those NED Securities.

**ASX Listing Rule 10.11**

The requirement to seek stockholder approval for the grant of the NED Securities is contained in ASX Listing Rule 10.11. ASX Listing Rule 10.11 provides that a company must not, subject to specified exceptions, issue or agree to issue any equity securities to a related party, which includes a director, without stockholder approval. If stockholder approval to any of Proposals Nos. 3 – 8 is received, approval of that Proposal is not required under ASX Listing Rule 7.1 and the subsequent issue of the shares of Common Stock the subject of the options and RSUs referred to in that Proposal will not be counted towards the Company's 15% placement capacity restriction set out in ASX Listing Rule 7.1.

**Reasons for the grant of the NED Securities**

The Board has approved the proposed grant of the NED Securities in order to promote ownership in the Company by the non-executive directors and to align their interests with stockholders by linking part of their compensation to the long-term success of the Company and its financial performance. The provision of the NED Securities is an essential component of compensation for U.S. based non-executive directors of Nasdaq listed companies and the Board believes that the grant of the NED Securities should assist the Company in retaining members of the Board of Directors in an increasingly competitive environment for the recruitment and retention of non-executive directors.

As noted above, the Board is also of the view that the grant of the NED Securities to the abovementioned non-executive directors is a reasonable and appropriate method to provide cost effective remuneration to those non-executive directors as the non-cash form of this remuneration will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were required to be provided to those non-executive directors instead of the NED Securities.

## Material terms of the NED Security Agreements

In addition to the value, vesting schedules and other terms of the NED securities noted in the tables above, the following is a summary of other material terms of the NED Security Agreements.

### Option Agreements

- a) *Grant Price:* There is no consideration payable for the grant of the options.
- b) *Exercise Price:* As noted above, the exercise price payable for each share of Common Stock the subject of the option will be the closing price of the Company's shares of Common Stock on Nasdaq on the date on which the option is granted.
- c) *Method of payment of Exercise Price:* Each non-executive director may pay the applicable exercise price by personal check (or readily available funds), wire transfer, cashier's check or by consideration received by the Company pursuant to a broker-assisted cashless exercise program implemented by the Administrator under the Option Agreement. Under a cashless exercise, also known as a same-day sale, a broker facilitates the exercise of options by the grantee so that the grantee may exercise options without making an upfront purchase of shares. The grantee exercises the options, and then immediately sells enough shares of Common Stock to repay the broker and cover any associated costs with the transaction. The grantee then retains the net number of shares of Common Stock.
- d) *Shares of Common Stock (and not CDIs) issued under a cashless exercise:* Where a cashless exercise program is implemented, only shares of Common Stock (and not CDIs) may be issued to the non-executive director.
- e) *Vesting Conditions:* The relevant vesting conditions for the options (which are entirely time based) are set out in Table 1 above. Once an option has vested it may be exercised at any time during the option term applicable to it unless it otherwise lapses or is forfeited pursuant to the terms of the Option Agreement
- f) *Option term:* The options will expire at the close of business at the Company's headquarters on the applicable expiration date (being 10 years from the grant date of the relevant option), unless the relevant Option Agreement terminates earlier in connection with the non-executive director no longer serving as a director of the Company or in the event of a change of control occurring with respect to the Company.
- g) *Lapsing on cessation as a director:* If a non-executive director ceases to be a director of the Company prior to the relevant expiration date of the option (other than for cause), the unvested portion of the director's options will automatically expire on the director's date of termination, and the vested portion of the director's options will remain outstanding and exercisable for the following periods (unless otherwise determined by the Company's Compensation Committee): (i) three months following termination for any reason other than cause, disability or death; (ii) six months following a termination due to disability; and (iii) 12 months following the date of the director's death, if they die while serving as a director or during the period provided in (i) or (ii).

If a non-executive director ceases to be a director of the Company prior to the relevant expiration date of the option due to being terminated for cause, the option will terminate and be forfeited immediately upon the director's termination, and the director will be prohibited from exercising any portion (including any vested portion) of the option on or after the date of termination. If the director's service as a non-executive director of the Company is suspended pending an investigation as to whether the director will be terminated for cause, all of the director's rights under the option, including the right to exercise any vested options, will be suspended during the investigation period.

- h) *Subject to the ASX Listing Rules:* While the Company is subject to the ASX Listing Rules, there are additional restrictions that will apply to each non-executive director under the terms of the relevant Option Agreement including, amongst other things, restrictions on the director's ability as an option holder to participate in new issues of shares of Common Stock (where a new issue is offered to existing holders of the Company's shares of Common Stock) where it relates to the shares of Common Stock the subject of the option and restrictions in relation to the amendment or modification of the terms of the options (unless such amendment or modification is made to comply with the ASX Listing Rules or unless otherwise permitted by the ASX Listing Rule or by a waiver granted by the ASX).
- i) *Adjustment of shares of Common Stock:* If the number of the Company's outstanding shares of Common Stock is changed or the value of the Company's shares of Common Stock are otherwise affected by the occurrence of certain specified corporate actions, then the maximum number and class of shares of Common Stock or type of security reserved for issuance and the exercise price and number and class of shares of Common Stock or type of security subject to the relevant option grant will, subject to any required action by the Board of Directors or the Company's stockholders and subject to compliance with, and to the extent permitted by, all Applicable Laws (as defined in the Option Agreement), be proportionately adjusted or adjusted in such manner as the Company's Compensation Committee determines to be equitably required, provided that fractions of a share of Common Stock will not be issued. In this respect, where the ASX Listing Rules apply, the Compensation Committee will make such adjustments as are necessary and in accordance with

the ASX Listing Rules to the number, class, or type of shares of Common Stock or securities that are subject to the option grant or the exercise price and such other adjustments as are appropriate in the discretion of the Compensation Committee and in accordance with the ASX Listing Rules. Such adjustments may provide for the elimination of fractional shares that may otherwise be subject to the option grant without any payment therefor.

- j) *Minimum number of shares of Common Stock:* The option granted to each non-executive director under the Option Agreement may be exercised on multiple occasions during the option term, however the Company may impose a minimum number of shares of Common Stock in respect of which the option may be exercised at any one time.
- k) *Change in control:* In the event that the Company is subject to a change of control (as that term is defined in the Option Agreement), any unvested portion of the relevant option outstanding as of immediately prior to the change in control will vest in full as of the change in control.

#### RSU Agreements

- a) *Grant Price:* There is no consideration payable for the grant of the RSUs.
- b) *Vesting Conditions:* The relevant vesting conditions for the RSUs (which are entirely time based) are set out in Table 1. The Company will issue or transfer to the non-executive director shares of Common Stock on or as soon as administratively practical (and within 20 business days in accordance with the terms of the RSU Agreement) following the relevant vesting date of the RSUs.
- c) *Lapsing on cessation as a director:* If a non-executive director's continuous service as a non-executive director of the Company terminates for any reason, all unvested RSUs will be forfeited to the Company, and all rights of the non-executive director to such RSUs will immediately terminate without payment of any consideration to the non-executive director.
- d) *Adjustment of shares of Common Stock:* If the number of the Company's outstanding shares of Common Stock is changed or the value of the Company's shares of Common Stock are otherwise affected by the occurrence of certain specified corporate actions, then the maximum number and class of shares of Common Stock or type of security reserved for issuance under an RSU will, subject to any required action by the Board of Directors or the Company's stockholders and subject to compliance with, and to the extent permitted by, all Applicable Laws (as defined in the RSU Agreement), be proportionately adjusted or adjusted in such manner as the Company's Compensation Committee determines to be equitably required, provided that fractions of a share of Common Stock will not be issued. In this respect, where the ASX Listing Rules apply, the Compensation Committee will make such adjustments as are necessary and in accordance with the ASX Listing Rules to the number, class or type of shares of Common Stock or securities that are subject to the RSU grant and such other adjustments as are appropriate in the discretion of the Compensation Committee and in accordance with the ASX Listing Rules. Such adjustments may provide for the elimination of fractional shares that may otherwise be subject to RSU grants without any payment therefor.
- e) *Change in control:* In the event that the Company is subject to a change of control (as that term is defined in the RSU Agreement), any unvested portion of the relevant RSUs outstanding as of immediately prior to the change in control will vest in full as of the change in control.

#### Certain US Federal Income Tax Consequences

The following is a brief summary of certain of the US federal income tax consequences of certain transactions under the NED Security Agreements based on US federal income tax laws in effect. This summary, which is presented for the information of stockholders considering how to vote on Proposal Nos. 3-8 and not for award grantees, is not intended to be complete and does not describe federal taxes other than income taxes, such as Medicare and Social Security taxes, state taxes, local taxes, or foreign taxes.

There are generally no US income tax consequences for the Company or the option holder upon the grant of a non-statutory stock option. In general, when a non-statutory stock option is exercised, the recipient will recognize ordinary income equal to the excess of the fair market value of the shares of Common Stock for which the option is exercised on the date of exercise over the aggregate exercise price. Upon the sale of shares of Common Stock acquired from exercising an option, the recipient will realize a capital gain (or loss) equal to the difference between the proceeds received and the fair market value of the shares of Common Stock on the date of exercise. The capital gain (or loss) will be a long-term capital gain (or loss) if the participant held the shares of Common Stock for more than a year after the exercise of the option, or otherwise a short-term capital gain (or loss).

RSUs will not have US tax consequences for the Company or the recipient at the time of grant. Income will be realized when the awards vest. At that time, the recipient will realize ordinary income equal to the fair market value of the shares of Common Stock issued to them. Upon the sale of shares of Common Stock received in settlement of RSUs, the recipient will realize a capital gain or

loss equal to the difference between the sale proceeds and income previously realized with respect to the shares of Common Stock. The capital gain (or loss) will be a long-term capital gain (or loss) if the recipient held the shares of Common Stock for more than one year after realizing income attributable to the shares of Common Stock, or otherwise a short-term capital gain (or loss).

To the extent that an award recipient recognizes ordinary income in the circumstances described above, the Company or the subsidiary for which they perform services will be entitled to a corresponding deduction provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an “excess parachute payment” within the meaning of Section 280G of the U.S. Internal Revenue Code of 1986, as amended (“Code”) and is not disallowed by the \$1 million limitation on certain executive compensation under Section 162(m) of the Code.

### **Information required under ASX Listing Rules 10.11 and 10.13**

For the purposes of ASX Listing Rules 10.11 and 10.13, the following information is provided:

- *(ASX Listing Rule 10.13.1):* The NED Securities are proposed to be granted to the Company’s non-executive directors, namely Mr. Lou Panaccio, Professor Suzanne Crowe, Mr. Jeremy Curnock Cook, Ms. Jan Stern Reed, Mr. Robert McNamara and Mr. Cary Vance.
- *(ASX Listing Rule 10.13.2):* Each of Mr. Lou Panaccio, Professor Suzanne Crowe, Mr. Jeremy Curnock Cook, Ms. Jan Stern Reed, Mr. Robert McNamara and Mr. Cary Vance are directors of the Company, and therefore fall into the category under ASX Listing Rule 10.11.1.
- *(ASX Listing Rule 10.13.3):* The class of securities to be issued to each relevant non-executive director is set out above. The number of NED Securities to be issued under the Annual Grants will be calculated on the date of grant in accordance with the formulae set out above.
- *(ASX Listing Rule 10.13.4):* The securities proposed to be granted under Proposal Nos. 3 – 8 (inclusive) are the NED Securities, comprising RSUs and options to acquire fully paid shares of Common Stock. The material terms of the NED Securities are set out above.
- *(ASX Listing Rule 10.13.5):* Any NED Securities to be granted to the relevant non-executive directors, if approved under Proposal Nos. 3 – 8, will be granted on the date of the Annual Meeting, as planned, or if a quorum is not achieved and postponement is required to achieve a quorum, then the date of the postponed Annual Meeting, if the proposed grants to the non-executive directors are approved at the Annual Meeting.
- *(ASX Listing Rule 10.13.6):* The Company will receive no form of consideration for the grant of the RSUs (or for the Common Stock to be issued or transferred upon the vesting of the RSUs) or the options, other than the continued provision of non-executive director services by the non-executive directors. In relation to the options, once vested, the relevant non-executive director will be required to pay the exercise price for the number of shares of Common Stock of the Company the subject of the options being exercised. The exercise price payable for each share of Common Stock to be issued under the option will be the closing price of the Company’s shares of Common Stock on Nasdaq on the date on which the option is granted. For example, if the option was granted on April 1, 2024, (United States), the exercise price for each share of Common Stock to be issued under the option would be \$15.55, being the closing price of the Company’s shares of Common Stock on Nasdaq on April 1, 2024 (United States).
- *(ASX Listing Rule 10.13.7):* As noted above, the purpose of the proposed grant of the NED Securities is to promote ownership in the Company by the non-executive directors and to align their interests with stockholders by linking part of their compensation to the long-term success of the Company and its financial performance.
- *(ASX Listing Rule 10.13.8):* The details of each non-executive director’s current total remuneration package (in US dollars) is set out below.
- *(ASX Listing Rule 10.13.9):* The NED Securities are proposed to be granted in accordance with the terms and conditions of the NED Security Agreements. The material terms of the NED Security Agreements are set out above.

As noted above, Proposal Nos. 3 – 8 (inclusive) are not interdependent proposals. Accordingly, if only some of Proposal Nos. 3 – 8 are approved by stockholders, those proposals that are approved will remain valid even if certain of Proposal Nos. 3 – 8 are not approved by stockholders. If this occurs, those non-executive directors who have the grant of any NED Securities to them approved will be granted those NED Securities. Those non-executive directors who do not have the grant of NED Securities to them approved will not be entitled to be granted those NED Securities.

**Vote Required**

Approval of each of Proposal Nos. 3 – 8 requires a number of “FOR” votes that is a majority of the votes cast by the Company’s stockholders present in person or represented by proxy at the Annual Meeting and entitled to vote on the relevant Proposal.

## Proposal No. 9

### APPROVAL OF THE GRANT OF OPTIONS TO MR. JAMES CORBETT, CHIEF EXECUTIVE OFFICER OF THE COMPANY

#### Background

Mr. James Corbett was appointed as the Company's President and CEO effective as of September 28, 2022 (United States) / September 29, 2022 (Australia) ("Appointment Date"). Mr. Corbett entered into an employment agreement with the Company effective as of the Appointment Date ("Employment Agreement"), under which it was agreed that Mr. Corbett shall be eligible for annual equity grants. Pursuant to the foregoing, on January 3, 2024, the Board of Directors approved a grant of 350,000 options to acquire 350,000 shares of Common Stock of the Company ("CEO Options") to Mr. Corbett, with an effective grant date of January 3, 2024 ("Grant Date"), subject to the approval of the Company's stockholders under ASX Listing Rule 10.11.

Proposal No. 9 seeks the approval of stockholders under ASX Listing Rule 10.11 for the grant of the CEO Options to Mr. Corbett on the terms and conditions of an option agreement ("CEO Option Agreement") to be entered into between Mr. Corbett and the Company, the proposed terms of which are set out below.

Each option on vesting and payment of the applicable exercise price by Mr. Corbett (being the closing price of the Company's shares of Common Stock on Nasdaq on January 3, 2024, being the Grant Date) will entitle Mr. Corbett to be issued one fully paid share of Common Stock of the Company.

If stockholder approval is obtained, the CEO Options will be issued under and subject to the terms of the CEO Option Agreement, effective on the Grant Date. If stockholder approval is not obtained, the CEO Options will not be issued to Mr. Corbett.

#### ASX Listing Rule 10.11 and 10.12

The requirement to seek stockholder approval for the issue of the CEO Options is contained in ASX Listing Rule 10.11. ASX Listing Rule 10.11 provides that a company must not, subject to specified exceptions, issue or agree to issue any equity securities to a related party, which includes a director, without stockholder approval.

The exceptions to ASX Listing Rule 10.11 are set out in ASX Listing Rule 10.12. Relevantly, Exception 11 of ASX Listing Rule 10.12 provides that an agreement to issue securities that is conditional on the holders of the company's ordinary securities approving the issue under ASX Listing Rule 10.11 before the issue is made is a permitted exception to ASX Listing Rule 10.11 (on the condition that the company does not issue the securities without obtaining such approval).

The Board approval to issue the CEO Options to Mr. Corbett under the Employment Agreement falls within Exception 11 of ASX Listing Rule 10.12, because under the terms of that agreement the issue of the CEO Options is subject to the Company obtaining stockholder approval. Accordingly, the Company must obtain stockholder approval for the issue of the CEO Options under ASX Listing Rule 10.11 and the Company must not issue the CEO Options without such stockholder approval.

If stockholder approval in relation to this Proposal No. 9 is received, approval is not required under ASX Listing Rule 7.1 and the subsequent issue of the shares of Common Stock the subject of the CEO Options will not be counted towards the Company's 15% placement capacity restriction set out in ASX Listing Rule 7.1.

#### Reasons for the grant of the CEO Options

The Board approved the grant of the CEO Options to Mr. Corbett (subject to stockholder approval) in order to continue to incentivize Mr. Corbett in his CEO role with the Company, and to promote the alignment of Mr. Corbett's interests with the Company's stockholders.

#### Number of CEO Options and vesting conditions

Set out below are details of the CEO Options proposed to be issued to Mr. Corbett subject to approval by the stockholders under this Proposal No. 9.

<u>Number of CEO Options to be issued</u>	<u>Vesting Terms (1)</u>	<u>Vesting Schedule</u>
Options to acquire 350,000 shares of Common Stock.	Tenure based—the CEO Options will vest on an annual basis over three years in equal installments, subject to Mr. Corbett	Year 1: On the first anniversary of the Grant Date 33.3% of the CEO Options will vest (being 166,667 CEO Options)

	continuing to be employed with the Company. Upon vesting, the CEO Options may then be exercised (subject to the payment by Mr. Corbett of the exercise price) with an expiration date of ten years from the Grant Date)	<p>Year 2: On the second anniversary of the Grant Date 33.3% of the CEO Options will vest (being 166,667 CEO Options)</p> <p>Year 3: On the third anniversary of the Grant Date 33.3% of the CEO Options will vest (being 166,666 CEO Options)</p>

(1) *The exercise price payable for each share of Common Stock to be issued upon exercise of each CEO Option will be \$12.64, the closing price of a share of Common Stock on Nasdaq on January 3, 2024, which will be the effective Grant Date of the CEO Options, subject to stockholder approval.*

### Material terms of the CEO Option Agreement

Set out below is a summary of the principal terms of the CEO Option Agreement.

- a) *Grant Price:* There is no consideration payable for the grant of the CEO Options.
- b) *Exercise Price:* as noted above, the exercise price payable for each share of Common Stock to be issued under each CEO Option will be \$12.64, being the closing price of a share of Common Stock on Nasdaq on January 3, 2024, which will be the effective Grant Date of the CEO Options subject to stockholder approval.
- c) *Method of payment of Exercise Price:* Mr. Corbett may pay the applicable exercise price by personal check (or readily available funds), wire transfer, cashier's check or by consideration received by the Company pursuant to a broker-assisted cashless exercise program implemented by the Administrator under the CEO Option Agreement. Under a cashless exercise, also known as a same-day sale, a broker would facilitate the exercise of CEO Options by Mr. Corbett so that he may exercise CEO Options without making an upfront purchase of shares. Mr. Corbett would exercise the CEO Options, and then immediately sell enough shares of Common Stock to repay the broker and cover any associated taxes and costs with the transaction. Mr. Corbett would then retain the net number of shares of Common Stock.
- d) *Shares of Common Stock issued under a cashless exercise:* Where a cashless exercise program is implemented, only shares of Common Stock may be issued to Mr. Corbett.
- e) *Vesting Conditions:* The relevant vesting conditions for the CEO Options are set out in the above table. Once a CEO Option has vested it may be exercised at any time during the option term applicable to it unless it otherwise lapses or is forfeited pursuant to the terms of the CEO Option Agreement.
- f) *Option term:* The CEO Options will expire at the close of business at the Company's headquarters on the applicable expiration date (being 10 years from the Grant Date of the CEO Options), unless the CEO Option Agreement terminates earlier in connection with Mr. Corbett no longer serving as an employee of the Company or in the event of a change of control.
- g) *Lapsing on cessation as CEO:* If Mr. Corbett ceases to be an employee of the Company prior to the relevant expiration date of the CEO Options (other than for cause), the unvested portion of Mr. Corbett's CEO Options will automatically expire on the date that Mr. Corbett ceases to be an employee of the Company, and the vested portion of Mr. Corbett's CEO Options will remain outstanding and exercisable for the following periods (unless otherwise determined by the Company's Compensation Committee): (i) three months following termination for any reason other than cause, disability or death; (ii) six months following a termination due to disability; and (iii) 12 months following the date of Mr. Corbett's death, if he dies while an employee of the Company or during the period provided in (i) or (ii).

If Mr. Corbett ceases to be an employee of the Company prior to the relevant expiration date of the CEO Options due to being terminated for cause, the CEO Options will terminate and be forfeited immediately upon Mr. Corbett's termination, and Mr. Corbett will be prohibited from exercising any portion (including any vested portion) of the CEO Options on or after the date of termination. If Mr. Corbett's employment with the Company is suspended pending an investigation as to whether he will be terminated for cause, all of Mr. Corbett's rights under the CEO Options, including the right to exercise any vested CEO Options, will be suspended during the investigation period.

- h) *Subject to the ASX Listing Rules:* While the Company is subject to the ASX Listing Rules, there are additional restrictions that will apply to Mr. Corbett under the terms of the CEO Option Agreement including, amongst other things, restrictions on Mr. Corbett's ability as an option holder to participate in new issues of shares of Common Stock (where a new issue is offered to existing holders of the Company's shares of Common Stock) where it relates to the shares of Common Stock the subject of the CEO Option and restrictions in relation to the amendment or modification of the terms of the CEO

Options (unless such amendment or modification is made to comply with the ASX Listing Rules or unless otherwise permitted by the ASX Listing Rule or by a waiver granted by the ASX).

- i) *Adjustment of shares of Common Stock:* If the number of the Company's outstanding shares of Common Stock is changed or the value of the Company's shares of Common Stock are otherwise affected by the occurrence of certain specified corporate actions, then the maximum number and class of shares of Common Stock or type of security reserved for issuance and the exercise price and number and class of shares of Common Stock or type of security subject to the CEO Options grant will, subject to any required action by the Board of Directors or the Company's stockholders and subject to compliance with, and to the extent permitted by, all Applicable Laws (as defined in the CEO Option Agreement), be proportionately adjusted or adjusted in such manner as the Company's Compensation Committee determines to be equitably required, provided that fractions of a share of Common Stock will not be issued. In this respect, where the ASX Listing Rules apply, the Compensation Committee will make such adjustments as are necessary and in accordance with the ASX Listing Rules to the number, class or type of shares of Common Stock or securities that are subject to the CEO Options grant or the exercise price and such other adjustments as are appropriate in the discretion of the Compensation Committee and in accordance with the ASX Listing Rules. Such adjustments may provide for the elimination of fractional shares that may otherwise be subject to the option grant without any payment therefore.
- j) *Minimum number of shares of Common Stock:* The CEO Options to be granted to Mr. Corbett under the CEO Option Agreement may be exercised on multiple occasions during the option term, however the Company may impose a minimum number of shares of Common Stock in respect of which the CEO Options may be exercised at any one time.
- k) *Change in control:* In the event that the Company is subject to a change of control (as that term is defined in the CEO Option Agreement), any unvested portion of the relevant CEO Options outstanding as of immediately prior to the change in control will vest in full as of the change in control.

### **Certain US Federal Income Tax Consequences**

The following is a brief summary of certain of the US federal income tax consequences of certain transactions under the CEO Option Agreement based on US federal income tax laws in effect. This summary, which is presented for the information of stockholders considering how to vote on this Proposal No. 9 and not for the award grantee, is not intended to be complete and does not describe federal taxes other than income taxes, such as Medicare and Social Security taxes, state taxes, local taxes, or foreign taxes.

There are generally no US income tax consequences for the Company or the option holder upon the grant of a non-statutory stock option. In general, when a non-statutory stock option is exercised, the recipient will recognize ordinary income equal to the excess of the fair market value of the shares of Common Stock for which the option is exercised on the date of exercise over the aggregate exercise price. Upon the sale of shares of Common Stock acquired from exercising an option, the recipient will realize a capital gain (or loss) equal to the difference between the proceeds received and the fair market value of the shares of Common Stock on the date of exercise. The capital gain (or loss) will be a long-term capital gain (or loss) if the participant held the shares of Common Stock for more than a year after the exercise of the option, or otherwise a short-term capital gain (or loss).

To the extent that an award recipient recognizes ordinary income in the circumstances described above, the Company or the subsidiary for which they perform services will be entitled to a corresponding deduction provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an "excess parachute payment" within the meaning of Section 280G of the Code and is not disallowed by the \$1 million limitation on certain executive compensation under Section 162(m) of the Code.

### **Information required under ASX Listing Rules 10.11 and 10.13**

For the purposes of ASX Listing Rules 10.11 and 10.13, the following information is provided:

- *(ASX Listing Rule 10.13.1):* The CEO Options are proposed to be issued to Mr. James Corbett, the Company's President and CEO.
- *(ASX Listing Rule 10.13.2):* Mr. Corbett is a director of the Company and therefore falls into the category under ASX Listing Rule 10.11.1.
- *(ASX Listing Rule 10.13.3):* The number and class of securities to be issued to Mr. Corbett are set out above.
- *(ASX Listing Rule 10.13.4):* The securities issued are options to acquire fully paid shares of Common Stock. The material terms of the CEO Options are set out above.

- *(ASX Listing Rule 10.13.6)*: The Company will not receive any form of consideration for the grant of the CEO Options, other than the continued provision of employment and director services by Mr. Corbett. Once vested, Mr. Corbett will be required to pay the exercise price for the number of shares of Common Stock of the Company being exercised. The exercise price payable for each share of Common Stock to be issued upon exercise of each CEO Option will be \$12.64, being the closing price of a share of Common Stock on the Grant Date.
- *(ASX Listing Rule 10.13.7)*: The purpose of the issue of the CEO Options is set out above.
- *(ASX Listing Rule 10.13.8)*: Details of Mr. Corbett’s current total remuneration package is set out below.
  - Base Salary: Mr. Corbett is paid an annualized base salary of \$625,000 in periodic installments, in accordance with the Company’s customary payroll practices, subject to annual review by the Compensation Committee of the Board of Directors.
  - Annual Bonus: For each completed fiscal year, Mr. Corbett is eligible to receive an annual bonus. Mr. Corbett’s target bonus opportunity is equal to 80% of base salary, based on the achievement of Mr. Corbett’s and the Company’s performance goals established by the Board of Directors; provided that, depending on the results, Mr. Corbett’s annual bonus may be lower or higher than the target amount with a maximum bonus opportunity of 150% of base salary, as determined by the Board of Directors.
- *(ASX Listing Rule 10.13.9)*: The CEO Options are proposed to be issued in accordance with the terms and conditions of the CEO Option Agreement. The material terms of the CEO Option Agreement are set out above.

## Recommendation

**The Board (other than Mr. Corbett, who abstains given his personal interest in Proposal No. 9) recommends that stockholders vote “FOR” Proposal No. 9.**

If this Proposal No. 9 is approved by stockholders, the CEO Options will be granted under and subject to the terms of the CEO Option Agreement. If this Proposal No. 9 is not approved by stockholders, the CEO Options will not be issued to Mr. Corbett.

## Vote Required

Approval of this Proposal No. 9 requires a number of “FOR” votes that is a majority of the votes cast by the Company’s stockholders present in person or represented by proxy at the Annual Meeting and entitled to vote on Proposal No. 9.

Abstentions will have the same effect as votes “AGAINST” Proposals No. 9.

## Voting Exclusion Statement

The Company will disregard any votes cast in favor of Proposal No. 9 by on or behalf of Mr. Corbett and any other person who will obtain a material benefit as a result of the issue of the securities under Proposal No. 9 (except a benefit solely by reason of being a holder of the Company’s shares of Common Stock (or CDI(s)) or their associates, however, the Company need not disregard a vote cast in favor of Proposal No. 9 by:

- a person as proxy or attorney for a person who is entitled to vote on Proposal No. 9, in accordance with directions given to the proxy or attorney to vote on Proposal No. 9 in that way; or
- the chair of the Annual Meeting as proxy or attorney for a person who is entitled to vote on Proposal No. 9, in accordance with a direction given to the chair to vote on Proposal No. 9 as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on Proposal No. 9; and
  - the holder votes on Proposal No.9 in accordance with directions given by the beneficiary to the holder to vote in that way.

## Proposal 10

### SAY ON PAY

#### ADVISORY VOTE TO APPROVE THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT UNDER "EXECUTIVE COMPENSATION"

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") provides stockholders with the opportunity to vote, on an advisory basis, to approve the Company's compensation policies. The Board of Directors believes that the Company's compensation policies and procedures are aligned with the long-term interests of stockholders. As described in detail under the Executive Compensation discussion section in the Annual Report on Form 10-K, which was filed with the SEC and ASX on February 22, 2024 (United States)/February 23, 2024 (Australia) ("Form 10-K") and provided along with this Proxy Statement, the Company believe that its compensation program is designed to support the Company's long-term business strategies and creation of stockholder value by emphasizing long-term alignment with stockholders and pay-for-performance. You are encouraged to read the Executive Compensation discussion contained herein for additional details on the Company's executive compensation, including its philosophy and objectives and the 2024 compensation of its named executive officers. This non-binding advisory "say-on-pay" vote gives you as a stockholder the opportunity to endorse the Company's executive compensation program through the following resolution:

"RESOLVED, that the compensation paid to the Company's named executive officers as disclosed pursuant to Item 402 of Regulation S-K, including the Executive Compensation discussion, compensation tables and narrative discussion contained in the Company's Annual Report on Form 10-K and this Proxy Statement is hereby APPROVED."

As an advisory vote, this Proposal is non-binding. However, the Board of Directors and the Compensation Committee value the opinions of stockholders and will consider the outcome of the vote when making future compensation decisions for the named executive officers. The Company submits a "say-on-pay" proposal to stockholders on an annual basis.

The Board of Directors recommends a vote "FOR" the advisory approval of the compensation of the Company's named executive officers as disclosed in the Company's Annual Report on Form 10-K and herein under the heading Executive Compensation.

#### Vote Required

Non-binding, advisory approval of the advisory proposal on the compensation of our named executive officers as disclosed in the Executive Compensation discussion section in the Form 10-K and in this Proxy Statement requires the affirmative vote of the holders of a majority in voting power of the shares of stock of the Company present in person or represented by proxy at the Annual Meeting and entitled to vote thereon. Abstentions will have the same effect as votes "AGAINST" this Proposal, whereas "broker non-votes" will not be counted for the purposes of determining whether this advisory proposal has been approved.

**The Board recommends a vote "FOR" the approval on an advisory basis of the compensation of the Company's named executive officers.**

# CDI Voting Instruction Form

## How to Vote on Items of Business

Five (5) CHESS Depository Interests (CDIs) are equivalent to one (1) share of AVITA Medical, Inc. ("Company") Common Stock, so that every 5 (five) CDIs registered in your name at 5.00pm on Thursday, 11 April 2024 (AEST) entitles you to one vote.

You can vote by completing, signing and returning your CDI Voting Instruction Form. This form gives your voting instructions to CHESS Depository Nominees Pty Ltd ("CDN"), which will vote the underlying shares on your behalf. You need to return the form no later than the time and date shown above to give CHESS Depository Nominees Pty Ltd enough time to tabulate all CHESS Depository Interest votes and to vote on the underlying shares.

### INSTRUCTING CDN TO DIRECT YOUR VOTE

To instruct CDN to vote the Common Stock underlying your CDIs, you may do so by placing a cross in the box at Step 1, Box A on the following page and then placing a mark in one of the boxes opposite each Resolution. The Common Stock underlying your CDIs will be voted in accordance with such a direction. If you mark more than one box on a Resolution, your vote on that Resolution will be invalid.

If you sign and return the CDI Voting Instruction Form and cross the box to instruct CDN to vote at Step 1, Box A, but do not indicate next to a Resolution how your votes are to be directed, the Common Stock represented by your CDIs will not be voted on that Resolution.

If a CDI Voting Instruction Form has been returned validly signed and with a completed direction as to how the votes are to be cast, but without an indication as to whether CDN or another proxy is appointed, CDN will be deemed to have received an instruction to direct its appointed proxy to cast the votes accordingly.

### INSTRUCTING CDN TO NOMINATE A PROXY

If you wish to appoint yourself as CDN's proxy to attend the Annual Meeting in person, or to appoint the Chair of the Annual Meeting or another person as CDN's proxy, you need to fill in the name of the person who is to be appointed as proxy in the box at Step 1, Box B or mark next to the box to appoint the Chair.
